Based on the typeface used in a 1743 edition of Montaigne's *Essays*.

Now is the time for all good men to come to the aid of the party.

The quick brown fox jumps over the lazy dog.

We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

## All characters:

## Normal:

There are also some ligatures: ff fi fl ffi ffl ft st

Unfortunately, I haven't figured out how to get them recognized as ligatures, so they're just stored as characters. They aren't present in the bold and/or italic variants.
